

ST ROBERT SOUTHWELL RC PRIMARY SCHOOL

PE & Sport Grant 2014/2015

What is PE & Sport Grant money for?

At St Robert Southwell Catholic Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

How much did St Robert Southwell School receive?

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2014. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5 -11(Jan 2014)

Total amount of Sport Premium Grant received = £9258

How will we monitor the impact and success of this funding?

We will measure our success by pupil questionnaires to determine the impact on their understanding of exercise and on their enjoyment of activity. We will evaluate our impact on teaching through the observation of quality delivery of sport and PE activity. The impact has already been seen in establishing the school football team and increased participation in inter-school sporting events and inter-borough competitions.
