Aiming For Excellence - Being The Best We Can Be

Sports Funding 2015-16

The Government's sports' funding ensures our children receive the highest level of sports provision during PE lessons, extracurricular clubs and playtimes/lunchtimes.

Our Successes

During the school year 2015/16 we celebrated many sporting successes in our school including; The Boys Football team got to the final of the Brent North League Cup and the Girls Football team took part in the league for the first time. We had a range of inter-school competitions, Years 3-6 also took part in tennis and table tennis competitions where the winners were awarded trophies in our Celebration Assembly. We measure our successes through the variety of competitions we participate in and how successful we are. We evaluate the needs and preferences of our children through surveys and Pupil Parliament. A survey that took place during the summer term 2016 showed that 83% of children said that PE was their favourite subject in school.

How the funding is used?

We received £9647 for academic year 2015/16 and spent £9700 as follows:

Item/project	Cost (£)	Objective	Outcome
Continued employment of a school based sports coach 15 hours per week, running before, after and during school clubs.	£4700	To enhance PE provision for all children and improve all their basic skills	33% of children took part in before and after school clubs last year, an improvement of 10.5%
Membership and participation in Kingsbury Schools Partnership	£1300	All children experienced a range of sporting activities with other children from partnership schools	All children in Y1-5 attended sports festivals
Employed an additional lunchtime support playground leader for the infants	£1500	To increase participation in lunchtime sporting activities	A wider variety of games and equipment is used at lunchtime and children's feedback is that they enjoy their lunchtimes.
Additional playground equipment for the juniors	£1000	To develop a wider range of skills and the opportunity to take part in different playground games and activities	An increase in girls participating in team activities at playtimes and lunchtimes.

Following Jesus' footsteps and inspired by St Robert Southwell we work hard, aim high and treat everyone with honesty and gentleness.

St Robert Southwell Catholic Primary School

Aiming For Excellence - Being The Best We Can Be

Release time to provide support for the teaching and delivery of gymnastics lessons	£400	To support Year 5 teacher in developing their teaching of gymnastics	All Year 5 children had 15 weeks gymnastics teaching
To provide the children with an adventures sporting opportunity	£800	Children in years 2-6 to had an opportunity to take part in a different sporting activity.	66% of children participated in a sport they had never tried before

Action Plan

As part of the academic year 2016/17 we will continue to work on our strengths in football, Gaelic, tennis and table tennis, whilst providing further opportunities for the children to explore other sports. The success of British Athletes in Rio 2016 has inspired us to explore and perfect other sports such as Hockey. We want to foster the children's love of sport while enthusing more children to explore things they may not have before.

Following Jesus' footsteps and inspired by St Robert Southwell we work hard, aim high and treat everyone with honesty and gentleness.
