Aiming For Excellence - Being The Best We Can Be

Sports Funding 2016-17

The Government's sports funding enhances the sports provision at our school and enables all pupils to have access to sporting opportunities, in addition to being taught PE.

Our Successes

As a result of this funding, the embedded extra-curricular clubs and the skills development of our pupils during 2016/17, we have built on our sporting successes from 2015, including; The Boys' Football Team getting to the final of the Brent Cup and the Girls' Football Team winning the Brent Cup and getting through to the league finals, and individual pupils representing Brent in tennis in the London Youth Games. We also took part in inter-school competitions as part of the Kingsbury Schools cluster; Years 3-6 took part in tennis and table-tennis competitions, where the winners were awarded trophies at our Sports Presentation Breakfast. We monitor our successes through the competitions we take part in, as well as children's questionnaires. Pupils are enthusiastic about participating in sport and enjoy competitions.

How the funding is used:

We received £9730 which was used in the academic year 2016/17 and we spent £10,200.

This report covers three school terms

The governor responsible for PE and sport is Sharon Black

Item/project	Cost (£)	Objective /When	Impact	External validation
Continued employment of a school-based sports coach, 15 hours per week, to run before and after-school	£6000	Term-time clubs Access to high quality extra-curricular sports Tennis	70 + children attend before and after-school clubs 20 girls attend girls' football	Boys got to the final of the Brent cup and the Girls won the Brent Cup and got to the
