Aiming For Excellence - Being The Best We Can Be

Sports Funding 2017-18

The Government's sports funding aims to ensure children receive the highest level of sports provision and enabling all pupils to access a range of sporting opportunities, in addition to being taught PE. We utilise this funding to provide enrichment and competitive opportunities for all of our children.

Our Successes

As a result of this funding, the embedded extra-curricular clubs and the skills development of our pupils during 2017/18, we have built on our sporting successes from 2016. The Boys' Football Team won the Brent Cup and the Girls' Football Team got through to the league finals as well as winning the Brent Cup. Individual pupils also represented Brent in, tennis at the London Youth Games. We continued to participate in inter-school competitions as a member of the Kingsbury Schools Sports Partnership. Years 3-6 took part in our annual tennis and table-tennis competitions, where the winners were awarded trophies at our new Sports Presentation Breakfast. We have increased physical activities at playtimes by installing external gym equipment in the junior playground. We evaluate the impact of the sport funding by reviewing levels of participation in extracurricular sports clubs and our success at the various sports competitions.

How the funding is used

We received £15,475 for academic year 2017/18

We are very grateful to our Friends' Association for their generous contribution towards our new external gym equipment. Our spending for the year:

St Robert Southwell Catholic Primary School

Aiming For Excellence - Being The Best We Can Be

Item/project	Cost (£)	Objective/when	Impact	External Validation
Continued employment of a school-based sports coach, 15 hours per week, to run before and after-school sports and sport groups during the school day.	£6000	Term-time clubs Access to high quality extra-curricular sports Tennis Football Cricket	70 + children attend before and after-school clubs 20 girls attend girls' football	Boys' team got to the semi final of the Brent Cup and the Girls got to the final of the league and won the Brent Cup.

Whole school fitness and healthy lifestyle session	£500	Equipment and resources and release time for subject leader	Parents/carers and children took part in a group exercise session	The parents commented on the healthy way to start the day and how they would try to do more daily with their children

Action Plan

- To embed the positive sporting opportunities partially financed by the sport premium funding.
- To provide information and workshops to establish healthy lifestyle choices.
- To supporting our families in making healthy choices with their children.
- To increase physical activities for all children throughout the week.

Following Jesus' footsteps and inspired by St Robert Southwell we work hard, aim high and treat everyone with honesty and gentleness.
