PUPIL PREMIUM REPORT 2017 – 2018

School Context

St Robert Southwell is a two form entry school. We are in the London Borough of Brent, and at the end of Summer term 2018 had a school roll of 455 pupils. Of these 455 pupils, 30 were eligible for the Pupil Premium Grant.

How much did St Robert Southwell school receive?

The total received for the academic year 2017- 2018 was £39,600

What is Pupil Premium money?

The Pupil Premium grant was introduced in April 2011. In 2017 – 2018 schools were allocated £1,320 per pupil for children from low-income families who were eligible for free school meals and £1,900 per pupil for 'looked-after' children.

Objectives

The pupil Premium Grant is used to provide additional educational support in order to improve the progress and to raise the standard of achievement for eligible pupils. The funding issued to narrow and close the gap between the achievement of these pupils and their peers. Where necessary and where the power allow us to, the school will use additional funding to address any underlying inequalities between children eligible for Pupil Premium funding and others. This will vary depending on the individual circumstances and needs of the child.

Strategies

Literacy

- Daily one to one reading
- Writing intervention small group

Numeracy

- Setting in maths. Placing of children into more ambitious groups where the child shows potential, and teachers to offer support to the children to achieve in their groups in line with their peers. Close monitoring of children in receipt of Pupil Premium at pupil progress meetings and at SLT.

Wellbeing/social & emotional

- Financial support for trips, residential journeys and clubs. Where appropriate, students are given financial support to attend class trips, residential journeys and attend clubs including breakfast and after school club.
- Support with the purchase of school uniform if requires (addressing inequalities and ensuring that the child fits in).
- Wednesday group
