Aiming For Excellence - Being The Best We Can Be

Sports Funding 2019-20

The Government's sports funding aims to ensure children receive the highest level of sports provision and enables all pupils to access a range of sporting opportunities, in addition to being taught PE. We utilise this funding to provide enrichment and competitive opportunities for all of our children. We endeavour to build on the sporting success the sports funding has enabled us to achieve, below is a breakdown of how we intend to use the funding. We will review the funding termly to address areas for development and build on successes.

Swimming

Swimming is a curriculum entitlement and the children in our school have swimming lessons depending on their abilities. Pupil's in Key stage 2 who cannot yet swim 25 metres will be offered swimming sessions in groups until they can swim 25 metres proficiently.

Meeting the national curriculum requirements for swimming and water safety:

Percentage of our current Year 6 cohort that can confidently and proficiently swim over a distance of 25 metres:	43%
Percentage of our current Year 6 cohort that can use a range of strokes effectively:	35%
Percentage of our current Year 6 cohort that can perform safe self-rescue in different water based situations:	Not yet assessed

We are reviewing our swimming provision and do not currently or intend to use the sports premium to provide additional provision in swimming but are considering spending additional school budget funds to focus on extending swimming provision and increasing the percentage of pupils who achieve the expected standard and those who can meet the expectation of safe self-rescue.

Action Plan at the end of 2018-19

After evaluating our provision at the end of 2018-19 we identified successes and further areas for development.

Successes

Continued participation in the Kingsbury Sport's Partnership with all children in Year1 through to 6 taking part in Interschool competitions.

The introduction of Forest Schools and increased pupil access to active outdoor learning.

The provision of 'Go Ape' adventurous experience three quarters of pupils in Key Stage 2.

Pupil access to sports activities before and after school.

Areas for further development:

- To develop our children as leaders in health and wellbeing.
- The PE leader to work more closely with other school leaders to ensure that the health and wellbeing of our children is a top priority.

Following Jesus' footsteps and inspired by St Robert Southwell we work hard, aim high and treat everyone with honesty and gentleness.

St Robert Southwell Catholic Primary School

Aiming For Excellence - Being The Best We Can Be

- To expose the children in our school to a more varied sporting experiences.
- To enable pupils to be more active during the school week.
- To review swimming provision and consider how more children can achieve the required standard.
- To develop the PE leader in supporting staff and children in delivering a wider PE curriculum and achieving the Gold School Games Mark.

How we intend to use the funding in 2019-20

We are due to receive £10,500 (Approx.) for academic year 2019/20 and plan to spend it in the following ways

Item/project	Cost (£)	Objective/when	Impact	External Validation
Develop sports leaders	£1000 Equipment and training	Year 5 children run sporting activities at lunchtimes - Training and equipment	Increased engagement in both Key stages. Leaders confident in setting up activities and recording who takes part.	
Increase staff and pupil awareness to positive Health and wellbeing across by introducing and trialling a range of experiences strategies and initiatives	£2500	Mindfulness Healthy eating Go Noodle PE theory Through focused planning discrete teaching sessions. Designated staff meeting time.	Staff trail different strategies throughout the year. Pupils more confident discussing activities which improve their well being	Work towards well being award
Develop the new PE leader	£600 For cover	Training Supporting planning, teaching and learning	Leader confident introducing strategies to staff, monitoring quality of provision and identifying further areas for improvement	Quality of provision in PE Impact of well-being strategies Clear focused planning and implementation for areas of focus
Continue membership to the Kingsbury Schools Partnership	£1700	Access to range of inter school competitions and pupil led sports leadership	All pupils in Years 1- 6 access inter schools competition.	
Review swimming provision	Up to £2000 In addition to allocation	Audit pupil ability levels.	Increase number of pupils swimming and number of session at the pool if necessary	More pupils can swim to expected standard
