Aiming For Excellence - Being The Best We Can Be

Year 1 End of Year Expectations

Number – Number and Place Value

I can

count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number.

count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens.

given a number, identify one more and one less.

identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

read and write numbers from 1 to 20 in numerals and words.

Number – Addition and Subtraction

I can

read, write and interpret mathematical statements involving addition (+), subtraction (–) and equals (=) signs.

represent and use number bonds and related subtraction facts within 20.

add and subtract one-digit and two-digit numbers to 20, including zero

solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = \square - 9$.

Number – Multiplication and Division

I can

solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher.

Number – Fractions

I can

recognise, find and name a half as one of two equal parts of an object, shape or quantity.

recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.

Aiming For Excellence - Being The Best We Can Be

Measurement

I can compare, describe and solve practical problems for

lengths and heights [for example, long/short, longer/shorter, tall/short, double/half]

mass/weight [for example, heavy/light, heavier than, lighter than]

given a number, identify one more and one less.

capacity and volume [for example, full/empty, more than, less than, half, half full, quarter]

time [for example, quicker, slower, earlier, later]

measure and begin to record the following:

lengths and heights

mass/weight

capacity and volume

time (hours, minutes, seconds)

recognise and know the value of different denominations of coins and notes

sequence events in chronological order using language [for example, before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening]

recognise and use language relating to dates, including days of the week, weeks, months and years

tell the time to the hour and half past the hour and draw the hands on a clock face to show these times.

Geometry – Properties of Shapes

I can recognise and name common 2-D and 3-D shapes, including

2-D shapes [for example, rectangles (including squares), circles and triangles]

3-D shapes [for example, cuboids (including cubes), pyramids and spheres].

describe position, direction and movement, including whole, half, quarter and three- quarter turns.
