Sports Funding 2019/20

The Government's sports funding aims to ensure children receive the highest level of sports provision and enables all pupils to access a range of sporting opportunities, in addition to being taught PE. We utilise this funding to provide enrichment and competitive opportunities for all of our pupils. We endeavour to build on the sporting success the sports funding has enabled us to achieve, below is a breakdown of how we intend to use the funding. We will review the funding termly to address areas for development and build on successes.

Swimming

Swimming is a curriculum entitlement, year 5 pupils in our school have swimming lessons.

Meeting the national curriculum requirements for swimming and water safety:

Percentage of our current Year 6 cohort that can confidently and proficiently swim over a distance of 25 metres:	43%
Percentage of our current Year 6 cohort that can use a range of strokes effectively:	35%
Percentage of our current Year 6 cohort that can perform safe self-rescue in different water based situations:	Not yet assessed

We do not use the sports premium funding for additional provision in swimming.

Action Plan at the end of 2019/20

Successes: -

- Continued participation in the Kingsbury Sport's Partnership with all children in Year 1 through to 6 taking part in Interschool competitions.
- The continuation of Forest Schools in Reception and increased pupil access to active outdoor learning.
- Continued access for pupils to attend sports activities before and after school.
- Achieving the Wellbeing Award for Schools

After evaluating our provision at the end of 2019/20 areas for further development in 2020/21 are: -

- To review the quality of teaching in dance
- Review outdoor PE equipment, quality, range and usage
- To enable pupils to be more active during the school week post national lock down
- To develop the PE leader in supporting staff and children in delivering a wider PE curriculum and achieving the Quality Mark-due to Covid-19 this was unable to happen in 2019/20 as planned
- Forest Schools leader to embed use of outdoors across EYFS

*due to Covid-19 pandemic and our risk assessed for wider school opening we do not plan to take any children swimming in Autumn term 2020. This will be reviewed at the end of Autumn term taking account of the situation at the time and government guidelines.

Action plan for 2021-22

The following are the key priorities to be supported by the allocated sports funding:

- Assess whether we need to provide extra swimming provision due to the suspension of swimming lessons in Autumn term 2020, to ensure pupils meet the swimming national curriculum objectives
- Extension of Forest Schools into Year 1
- Review the quality of teaching in athletics
- Review pupil sports leader effectiveness
- Identify less active pupils and review opportunities for engagement
- Plan to extend outdoor activity equipment for KS2
- Further training and support for the PE leader to improve provision and embed strong coverage of curriculum skills and knowledge
