

St Robert Southwell Catholic Primary School

Aiming For Excellence - Being The Best We Can Be

Progression of skills in Art and Design

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Drawing (pencil, charcoal, inks, chalk, pastels, ICT software)	Extend the variety of drawings tools – Explore different textures – Observe and draw landscapes – Observe patterns – observe anatomy (faces, limbs)	Experiment with tools and surfaces – draw a way of recording experiences and feelings – discuss use of shadows, use of light and dark – Sketch to make quick records	Experiment with the potential of various pencils – close observation – Draw both the positive and negative shapes – initial sketches as a preparation for painting – accurate drawings of people – particularly faces	Identify and draw the effect of light – scale and proportion – accurate drawings of whole people including proportion and placement – Work on a variety of scales – computer generated drawings	Effect of light on objects and people from different directions – interpret the texture of a surface – produce increasingly accurate drawings of people – concept of perspective	Effect of light on objects and people from different directions – interpret the texture of a surface – produce increasingly accurate drawings of people – concept of perspective
Colour (painting, ink, dye, textiles, pencils, crayon, pastels)	Name all the colours – mixing of colours – Find collections of colour – applying colour with a range of tools	Begin to describe colours by objects – Make as many tones of one colour as possible (using white) – Darken colours without using black – using colour on a large scale	Colour mixing – Make colour wheels – Introduce different types of brushes – techniques- apply colour using dotting, scratching, splashing	Colour mixing and matching; tint, tone, shade – - observe colours – - suitable equipment for the task – - colour to reflect mood	Hue, tint, tone, shades and mood – explore the use of texture in colour – colour for purposes	Hue, tint, tone, shades and mood – explore the use of texture in colour – colour for purposes – colour to express feelings
Texture (textiles, clay, sand, plaster, stone)	Weaving – collage – Sort according to specific qualities – how textiles create things	Overlapping and overlaying to create effects – Use large eyed needles – running stitches – Simple appliqué work – Start to explore other simple stitches – collage	Use smaller eyed needles and finer threads – weaving – Tie dying, batik	Use a wider variety of stitches – observation and design of textural art – experimenting with creating mood, feeling, movement- – compare different fabrics	Use stories, music, poems as stimuli – Select and use materials – embellish work – fabric making – artists using textiles	Develops experience in embellishing – Applies knowledge of different techniques to express feelings – Work collaboratively on a larger scale
Form (3D work, clay, dough, boxes, wire, paper sculpture, mod roc)	Construct – Use materials to make known objects for a purpose – Carve – Pinch and roll coils and slabs using a modelling media. – Make simple joins	Awareness of natural and man-made forms – Expression of personal experiences and ideas – to shape and form from direct observation (malleable and rigid materials) – decorative techniques – Replicate patterns and textures in a 3-D form – work and that of other sculptors	Shape, form, model and construct (malleable and rigid materials) – Plan and develop – understanding of different adhesives and methods of construction – aesthetics	Plan and develop – Experience surface patterns / textures – Discuss own work and work of other sculptors – analyse and interpret natural and manmade forms of construction	Plan and develop ideas – Shape, form, model and join – observation or imagination – properties of media – Discuss and evaluate own work and that of other sculptors	Plan and develop ideas – Shape, form, model and join – observation or imagination – properties of media – Discuss and evaluate own work and that of other sculptors
Printing (found materials, fruit/veg, wood blocks, press print, lino, string)	Create patterns – Develop impressed images – Relief printing	Print with a growing range of objects – Identify the different forms printing takes	Relief and impressed printing – recording textures/patterns – mono-printing – colour mixing through overlapping colour prints	Use sketchbook for recording textures/patterns – Interpret environmental and manmade patterns – modify and adapt print	Combining prints – design prints – make connections – discuss and evaluate own work and that of others	Builds up drawings and images of whole or parts of items using various techniques – Screen printing – Explore printing techniques used by various artists
Pattern (paint, pencil, textiles, clay, printing)	Awareness and discussion of patterns – repeating patterns – symmetry	Experiment by arranging, folding, repeating, overlapping, regular and irregular patterning – natural and manmade patterns – Discuss regular and irregular	Pattern in the environment – design – using ICT – make patterns on a range of surfaces – symmetry	Explore environmental and manmade patterns – tessellation	Create own abstract pattern to reflect personal experiences and expression – create pattern for purposes	Create own abstract pattern to reflect personal experiences and expression – create pattern for purposes
Knowledge of an Artist	Leonardo Da Vinci, Sheila Hicks, Linda Calverley, El Anatsui	Ben Moseley, Van Gogh, Kandinsky, Frida Kahlo	Molly Williams, Monet, Picasso, Seurat, Clifford Possum Tjapaltjarri	Barbara Hepworth, Gustav Klimt, William Morris	Dan Mather, Andy Warhol, Lei Xue, Salvador Dali,	Joan Miro, Bridget Riley, Escher, Antonio Gaudi
