PUPIL PREMIUM REPORT 2019 – 2020

School Context

St Robert Southwell is a two form entry school. We are in the London Borough of Brent, and at the end of Summer term 2020 had a school roll of 462 pupils. Of these 462 pupils, 46 were eligible for the Pupil Premium Grant at the end of the school year 2019-20. There was a significant rise in children eligible for pupil premium during Covid-19 school closure 2020.

How much did St Robert Southwell school receive?

The total received for the academic year 2019- 2020 was £45,700.

What is Pupil Premium money?

The Pupil Premium Grant was introduced in April 2011. In 2019 – 2020 schools were allocated £1,345 per pupil for children from low-income families who were eligible for free school meals, and £2,345 per pupil for 'looked-after' children.

Objectives

The Pupil Premium Grant is used to provide additional educational support in order to improve the progress and to raise the standard of achievement for eligible pupils. The funding issued is used to narrow and close the gap between the achievement of these pupils and their peers. Where necessary, and where the power allows us to, the school will use additional funding to address any underlying inequalities between children eligible for Pupil Premium funding and others. This will vary depending on the individual circumstances and needs of the child.

Strategies

- Daily one-to-one reading/phonics
- Writing intervention-small groups

Numeracy

Close monitoring of children in receipt of Pupil Premium at pupil progress meetings and at SLT meetings.

Wellbeing/social & emotional

- Financial support for trips, residential journeys and clubs. Where appropriate, students are given financial support to attend class trips, residential journeys and attend clubs, including Breakfast and After-School club.
