

COVID-19 risk assessment – Key Worker Provision under new variant of Covid 19

The school re-opened to all children on March 8th 2021 in line with the government guidance. No bubbles were closed due to the virus between full reopening and the Easter break.

Our risk Assessment and Risk reduction measures remain in place.

We are faced with new variants of Covid which may have a greater risk of transmission. The following Risk Assessment and the working practices contained therein will continue to be rigorously adhered to reduce the risk of Covid spread.
