

St Robert Southwell Catholic Primary School
Aiming for Excellence - Being the Best We Can Be

Understanding the World	Reception Summer (2) Term	Physical Development
<p>The children will identify features in the natural world and the ocean. They will investigate the changes to the ocean and the effects on animals that live in this environment. Children will learn about creatures of the ocean. They will investigate floating and sinking, testing their ideas and discussing what happens.</p>	<p align="center">Under the Sea</p> 	<p>The children will continue to develop their movement and balance skills completing daily running, jumping and climbing activities and they will throw and catch a variety of equipment. They will begin to play team games and develop their ability to control wheeled equipment like bikes and scooters. The children will continue to develop their handwriting and scissors skills linked to threading and cutlery control. The children will understand more about keeping healthy and active every day.</p>
Literacy	Maths	R.E
<p>They children will continue to develop their reading skills and phonic knowledge - learning the sounds within set 2 and 3. They develop their letter formation to form lower and upper case letters correctly. They will continue to develop their ability to write sentences and re-read their work to check it makes sense.</p>	<p>'Find my pattern' - the children will double, share and groups amounts and understand even and odd numbers. 'On the Move' - they will deepen their understanding of patterns and relationship's within numbers.</p>	<p>The children will continue to join in simple prayer and hymns. They will develop their learning about the church and that is a special place where God's People gather to pray. Children will experience praying with others as a celebration. They come to know that Sunday is a special day for the Church family who come together to celebrate. They come to appreciate their friendship with Jesus through Baptism.</p>
Expressive Art and Design	Communication and Language	Personal, Social and Emotional Development (PSED)
<p>The children will develop they musical skills, preparing to perform for an audience. They will create art work using patterns and mixing colours, discussing what they did and how they decided what to do. They will make creations of sea creatures using paper mache Using the Tales Toolkit model they will invent and create stories to share with others using a variety of materials and props.</p>	<p>They will be supported to ask questions about the daily story shared and discuss the character, setting, problem, solution - in line with the Tales Toolkit format that we have been learning. They will look at and compare fiction and non-fiction books understanding that factual information can be given through these books.</p>	<p>The children will continue to develop their understanding of the Zones of Regulation and how they can move from a zone to get back to the green zone. They will talk about what they are good at and what they want to be even better at. They will share the mistakes that they make and how these help us to be better learners.</p>

***Following Jesus' footsteps and inspired by St. Robert Southwell we work hard,
 aim high and treat everyone with honesty and gentleness.***
