- Teach me to do it myself!
- Term dates

Mission, Vision and School Prayers

Mission Statement

Following Jesus' footsteps
and inspired by St. Robert Southwell
we work hard, aim high and treat
everyone with honesty and gentleness

Vision Statement

Aiming for Excellence - Being the Best We Can Be

School Prayer

This is our school
Let peace abide here
Let the rooms be full of contentment
Let love abide here
Love of one another
Love of mankind
Love of life itself
And love of God
Amen

Prayers to say every day

Lunchtime Prayer

Thank you for the world so sweet,
Thank you for the food we eat,
Thank you for the birds that sing,
Thank you God for everything,
Amen

End of the Day Prayer

God our Father I come to say,
Thank you for your love today.
Thank you for my family,
And all the friends you give to me.
Guard me in the dark of night
And in the morning send your light.
Amen.

*Following Jesus' footsteps and inspired by St Robert Southwell we work hard,
aim high and treat everyone with honesty and gentleness*

Welcome to St Robert Southwell Catholic Nursery

At St Robert Southwell we aim to provide a secure, caring and stimulating learning environment in which every child can develop their abilities and potential to the full.

EYFS Nursery Team

Mrs Grey	Nursery Teacher
Mrs Glynn	Nursery Nurse
Mrs Vijeyanathan	Learning Support
Mrs Andretta	Learning Support
Mrs Bravo	Learning Support

You may also have contact with:

Mrs Keville	EYFS Lead
Miss Joseph	Deputy Headteacher
Mrs Egan	Assistant Headteacher (Inclusion Manager)

The EYFS Curriculum and Read Write Inc. (Phonics)

The Early Years curriculum is broken up into seven areas of learning:

- Personal, social and emotional development
- Communication and Language
- Literacy
- Mathematics
- Understanding the World
- Physical Development
- Expressive Arts and Design

All seven areas are given equal weighting and are equally important to the development of your child. When planning and supporting your child, it is important to consider the different ways children learn and reflect this in how we teach, organise our learning environment and support individual children and groups of children. Within the Statutory framework for the EYFS, they identify three "Characteristics of Effective Teaching and Learning"; these characteristics encompass children from birth to the end of the reception year and children will demonstrate them in different ways, depending on the developmental level of the child:

1. **Playing and exploring** - children investigate and experience things and "have a go"
2. **Active learning** - children concentrate and keep on trying if they encounter difficulties, and enjoy their achievements.
3. **Creativity and thinking critically** - children have and develop their own ideas and make links between ideas. They develop strategies for doing things.

At St Robert Southwell Nursery, our curriculum is centred around children's play. Play is a vital part of young children's learning and it is through play that young children explore feelings, ideas and relationships. Play helps to promote risk-taking, it also allows children to make mistakes and try things without failing. Quality play promotes confidence and well-being. We encourage children to explore their environment in a wide range of activities to support their learning through play, both indoors and outdoors, in all weathers. We ensure there is a balance of child-led and adult-led learning opportunities.

At St Robert Southwell we follow the *Read, Write, Inc.* Phonics literacy programme, which begins in Nursery; we teach children the different sounds of letters and help them to begin blending sounds. If you would like some more information on our scheme, see the links below:

Communication between School and Home: Parent App

Parent App allows you to receive information about school events directly to your smart phone or tablet. It is our primary form of communication with parents and carers, allowing us to communicate speedily, efficiently and cost effectively with our families.

All communication from school regarding term dates, events, messages, consent forms, surveys and letters home is sent via our Parent App. You can also use it to report your child's absence, book parents' evenings meetings and update your contact details.

You will receive an invitation to download the App once your child starts school. Please do so promptly to ensure that you do not miss out on any vital information relating to your child.

Tapestry - Online Learning Journey

All children attending Nursery will have a personal online Learning Journey which records photos, observations and comments, in line with the Early Years Foundation Stage, to build up a record of each child's achievements during their time with us. Having this Learning Journey online provides an excellent opportunity for us to share information about your child's learning and achievements with you, and for you to share their achievements and interests at home with us.

The children are all very different so their Learning Journey will be very much individual to them. We would like you to become involved in the process of making their Learning Journeys. You will be able to upload comments and photographs to share your child's achievements away from Nursery.

We use the Tapestry system, which is hosted on secure, dedicated servers based in the UK. You will have password protected access to your child's online Learning Journey and we encourage you to contribute to it by uploading photos, videos and comments, or commenting on observations made by us.

We also use it to alert you to minor medical issues such as cuts and bumps, which may occur during the school day.

During your child's first week in Nursery we will provide you with your login details.

Getting Ready For Nursery

Settling into a new environment can be difficult, no matter how old or young you are. We appreciate that you are feeling a little worried about the first few times you leave your child at Nursery but there are some things that you can do to help your child settle quickly with us, and to feel happy and secure.

The Nursery team will meet with you in school, on your arranged day (date and time to be advised). During this meeting you will be able to talk to staff about your child's previous childcare experiences, their general development, their interests, and share other relevant information or concerns you have about them starting Nursery.

You have been given your child's Nursery sessions; these generally remain the same for the length of their stay in Nursery.

Session times are as follows:

Full Time:	8.40 am - 3.15 pm
Morning Session:	8:40 am - 11:40 am
Afternoon Session:	12:15 pm - 3:15 pm

Settling in Nursery

Some children take longer to settle than others. This is perfectly normal. Your child will benefit from socializing with other children as much as possible, through play-dates, play-groups and other Nursery settings. It can also be good to leave your child for short periods with other trusted adults so that they get used to you going, and knowing that you will come back to collect them.

Your child may benefit from some short 10 minute sessions initially, to help them to adjust. If the Nursery staff think that this is a good idea, then we will discuss it with you.

You can help your child by keeping the same routine when you say goodbye. Please make sure that your child knows that you are going but that you will be coming back to collect them.

We will contact you by phone if we need to speak to you concerning your child. Some tears are normal and often stop soon after you have gone. We may help you at the door if your child is having difficulty coming in, again this is perfectly normal. If you are finding the start to Nursery stressful, please talk to us and we will do our very best to help you and your child.

If you have any concerns, worries or queries at any time then please feel free to discuss these with us.

Absence and Holidays

Please contact the School Office on the first day of any absence, by 9.00 am. If this is not done, the absence will be recorded as unauthorised. Parents must not take children on holiday in term time. Absence will only be authorised in exceptional circumstances. Requests for holiday need to be discussed with Miss Beck, in advance, and a form completed.

Toys

Please do not allow your child to bring toys in unless specifically requested by the Nursery staff, as they may get damaged or lost and may cause arguments.

Milk and Fruit

Children are given free milk and fruit daily as part of the Government's Healthy Schools initiative. You do not need to provide a snack.

Medicines

Nursery staff do not routinely administer medicines. The exceptions are asthma inhalers, which will be kept in the Nursery, or if your child has an allergy and has been given an EpiPen by your GP. Special arrangements can be made for children with long term medical needs. Please advise the Nursery staff if your child has any medical needs. An appointment will then be made to put the correct paperwork in place.

Parking

In the interest of safety and security, only authorised vehicles are to enter the school car park.

Parking is not permitted in the Controlled Parking Zone on Slough Lane between 8.15am - 9.30am and 2.30pm - 4.00pm and road access is restricted during these times.

Additionally:

Cars **should not** park on the zig-zag lines outside the school entrance.

Cars **should not** park on the private road leading up to the school entrance.

Cars **should not** park on the pavements or obstruct neighbours' driveways.

The school access road is the only designated route for emergency vehicles; it must be kept clear of parents' cars at all times during the school day, including the start and end of the day.

We would encourage you to walk to school; however, we understand that this is not always possible.

We ask all parents to be considerate in their parking.

Leave a little earlier and park a bit further away; enjoy a little conversation with your child as you walk into school in the morning and on the way home.

Nursery Uniform

Uniform is compulsory for all children in the Nursery. Uniform is available from Mayfair Sports School Outfitters on Kingsbury Road. **All of your child's belongings MUST be clearly labelled with your child's name.**

Winter Uniform

Red PE sweat shirt, with school logo

Red polo shirt, with school logo

Black tracksuit bottoms, with school logo

Red woollen hat, bearing the school logo

Grey or white socks or tights

Summer Uniform

Red football shorts and red polo shirt, with the school logo

Red baseball hat, bearing the school logo

Grey or white socks or tights

Shoes must be black and they **MUST** have VELCRO fastening and **NOT** laces so that the children can be independent in taking their shoes off and putting them back on.

Other things your child will need every day:

- Book bag - Your child needs to bring their school book bag with them every day.
- Coat - We go outside in all weathers so please make sure that your child has a **BLACK** coat with them every day.
- Water Bottle - please send in a drink bottle for your child with a pattern or picture that they will recognise, their name clearly marked on it and a top that they can manage to open themselves. **Please do not put your child's water bottle in their book bag.**

Spare clothes

Your child may need to change their clothes for a variety of reasons. Please send in a set of spare clothes in a school logo PE bag, in case they need to get changed. There is a suggested list of items below and these do not necessarily need to have the school logo.

- A school PE bag that has your child's name clearly marked on it.
- A pair of socks
- A pair of pants
- A pair of black jogging bottoms
- A red polo top
- A red sweat shirt

ALL items of clothing that are sent in to school **MUST** have your child's name clearly marked on them, using a permanent marker OR printed name labels.

Messy Play

Your child is going to have lots of fun at Nursery! This includes playing in the mud, with water and with paint. The children are encouraged to wear aprons when playing with the water but often get wet anyway. We do check the children to see if they are wet and then help them to change their wet clothes. We encourage the children to wear wellies in the mud when the mud is very wet. These will be available for them to use in the Nursery. Your child may still come home a bit wet, a bit muddy or have some paint on them - this is all part of the fun!

Independence

We know your children are small and we will of course look after them in every way and help them, but we want them to be independent learners who can travel around the Nursery selecting their own areas for play.

You can help us by encouraging the following at home:

- Help your child to take off his/ her own shoes
- Put on and take off wellies themselves
- Teach them to dress and take their clothes on and off themselves
- Peel and eat fruit themselves
- Open drink bottles and pour from a jug into a cup

Just a few reminders:

- Make sure all items of clothing are clearly labelled
- No drink bottles in the book bags
- Don't let the children bring their toys in to Nursery
- Don't let them wear jewellery to Nursery
- Please only ring the Nursery bell once

*Following Jesus' footsteps and inspired by St Robert Southwell we work hard,
aim high and treat everyone with honesty and gentleness*

Toileting

We promote independent toileting for all children attending Nursery. It is in the interest of your child's dignity to be toilet trained before they start Nursery. Please see the Nursery staff before your child starts Nursery if you have any concerns over your child's toileting.

Children are encouraged to ask a member of staff if they need to use the toilet. This arrangement enables toileting to be more closely monitored by staff, who can then supervise hand washing afterwards.

Over the summer holidays and before your child starts Nursery:

- Encourage your child to tell you if they need to use a toilet, and to use the toilet alone.
- Independently wash and dry their hands after using the toilet, and before eating.

Special Box

To help us to get to know your child, we would like you to make a special box with them that they can bring with them on their first day at Nursery.

You can make a special box with your child using an old shoe box (smaller children's shoe boxes are the perfect size). You can decorate the box with your child using craft kits, wrapping paper, etc, that show what your child likes. Your child can put photos of their family on special days out, on holiday, etc, into the box. You can include photos of special relatives, pets, animals, etc. You can add a few pictures that your child has drawn or painted. The boxes will be kept in the Nursery all year. They help to provide a home-school link. The children can look at their boxes whenever they like. Staff and other children can chat with them about what is inside their box. The boxes provide a great deal of comfort to the children, to look at those they love and the things that are familiar to them.

They choose to look at their boxes throughout the year and children often sit together in groups excitedly chatting about the photos inside. It's a great way for staff and children to get to know each other. It's also really helpful for children who have little or no English to show others the people, experiences, etc, in their lives.

Teach me to do it myself!

*Following Jesus' footsteps and inspired by St Robert Southwell we work hard,
aim high and treat everyone with honesty and gentleness*

Here are some things you can do with your child to help them develop the basic skills on the road towards their Early Learning Goals.

Speaking

- Speak clearly and confidently.
- Model, using the right words, and set an example.
- Speak in full sentences.
- Use clear, simple directions for tasks and behaviours.
- Engage in discussions with your child and allow them the time to speak, without being interrupted.
- Ask for their opinions.
- Tell them about your day and ask about theirs.

Listening

- Show your child how to be a good listener, by listening to them and others.
- Be patient - don't interrupt or finish their sentences for them.
- Give them your full attention when they are speaking, showing them eye contact and good body language.
- Respond to what they are saying by asking questions, or ask for their opinions.
- Listen to your child reading.

Number Skills

*Following Jesus' footsteps and inspired by St Robert Southwell we work hard,
aim high and treat everyone with honesty and gentleness*

- Count daily with your child.
- Count objects, actions, numbers and a range of things.
- Identify numbers wherever you go - a neighbour's house number or the number on a bus.
- Help children put numbers in order.
- Let children help with tidying and sorting. Can they sort their toys? by colour?
- Identify shapes around the home.
- Use fingers to represent a number.

Writing

- Encourage your child to mark-make, without feeling pressured.
- Use the home diaries.
- Get your child colourful pens, gel pens and exciting new tools to encourage them to mark-make.
- Let children write their name on cards or letters.
- If your child is already writing with a pen or pencil, support their pencil grip so that they do not develop a bad habit.

Behaviour

- Agree clear and realistic rules - and stick to them.
- Give your child boundaries so that they know what is expected of them.
- Encourage your child to always say "please" and "thank you".
- Support the school rules.

Organisation

*Following Jesus' footsteps and inspired by St Robert Southwell we work hard,
aim high and treat everyone with honesty and gentleness*

- Children like routine - so set regular times for bed, getting up, meals and family time.
- Under 5s need up to 15 hours and primary children 10 hours sleep a night.
- Check your child has their name in everything before they bring it in, this helps them to be organised.
- Help your child to remember to bring everything - book bag, drinks bottle, reading book, etc.
- Let your child take hold of their own things on the way to school - they will know where to put books, bottles and bags.
- Let your child help you at home with the cooking, cleaning and shopping - they relish an opportunity to feel useful!
- Be patient when your child is helping.
- Lay your child's clothes out in the correct order each morning so that they can dress themselves - this really helps for P.E. as they get older!
- Children are expected to wipe and clean themselves when they go to the toilet once they begin the Foundation Stage.

Extending their Learning

- Link your child's learning to family activities - we can give you ideas for each topic!
- Go to local museums, parks, wildlife reserves.
- Talk about the world around them and encourage them to ask questions.
- Get to know what your child is learning.
- Take time to listen to your child and explain things carefully, developing their understanding and vocabulary.

To have a successful start to Reception – your child needs to be able to:

Wash their own hands
Recognise their own name
Hang up their own coat
Put on their own shoes and socks
Get themselves dressed – take of their own jumper and coat
Listen and respond to an adult instructions
Respond appropriately when an adult says no or stop
Count to 10
Share toys
Name some shapes
Eat with a knife and fork
Talk in sentences about things they have done
Write their name independently

SCHOOL TERM AND HOLIDAY DATES 2022-23

AUTUMN TERM 2022

Inset Days:

Thursday 1st and Friday 2nd September 2022

Start date:

For Nursery and Reception each child has an individually arranged date

Half Term Holiday:

Monday 24th October - Friday 28th October 2022

Term Ends for School:

Friday 16th December 2022 - 2pm

SPRING TERM 2023

First Day for Children:

Tuesday 3rd January 2023

Half Term Holiday:

Monday 13th February - Friday 17th February 2023

Term Ends for School:

Friday 31st March 2023 - 2pm

SUMMER TERM 2023

First Day for Children:

Monday 17th April 2023

May Day Bank Holiday:

Monday 1st May 2023

Half Term Holiday:

Monday 29th May - Friday 2nd June 2023

Term Ends for School:

Wednesday 19th July 2023 - 2pm

Inset days:

Thursday 20th and Friday 21st July 2023

Inset days:

One Inset Day to be confirmed
